ABOUT US

Eco Track Systems popularly known as ETS RFID is a CMMI Level 3 and ISO 9001: 2015 certified company headquartered at Delhi- India with an experience of more than 15+ years in the RFID industry. We specialize in Design and Manufacturing of RFID passive Tags along with a wide range of RFID Readers and Customized "Track and Trace Solutions" for various industry verticals. Our products and applications improve business processes where Identification, Authentication and Automation are of prime concern. We strongly believe in "Make In India" concept and majority of our offered products are locally sourced and produced using the most advanced set of inlays, chipsets and microcontrollers.

We offer one of the widest range of RF hardware under one roof covering the entire spectrum of frequency bands including LF (Low Frequency 125 KHz), HF/NFC (13.56 MHz) and UHF (865 -928 MHz).

Our products are available in OEM and ODM for our resellers and system integrators for further supply to end user.

MISSION

Eco Track Systems is committed to deliver highly powerful next-gen RFID hardware and cost effective solutions by focusing on quality services and customer satisfaction with continuous innovation and R&D in the AIDC (Auto Identification and Data Capturing) vertical.

VISION

We envision bringing Eco Track Systems to a level where it is recognized as the most trusted and preferred RFID Hardware and Solution provider in the industry in terms of quality products, quick turnaround services and long term relationships with its customers

OUR PROMISE

We promise to offer economical range of RFID hardware components for Global Track and Trace solutions and provide best pre & after sales support to our customers.

OUR PRESENCE

Besides having a strong base in India which is managed from Delhi & Noida, we are also present in United States and Africa through our group companies namely "Eco Track Systems LLC- New York" and "Baobab Packing Solutions Ltd. Kenya". Currently we are exporting from our India to more than 7+ countries which are managed by our exclusive affiliates and offshore distributors.

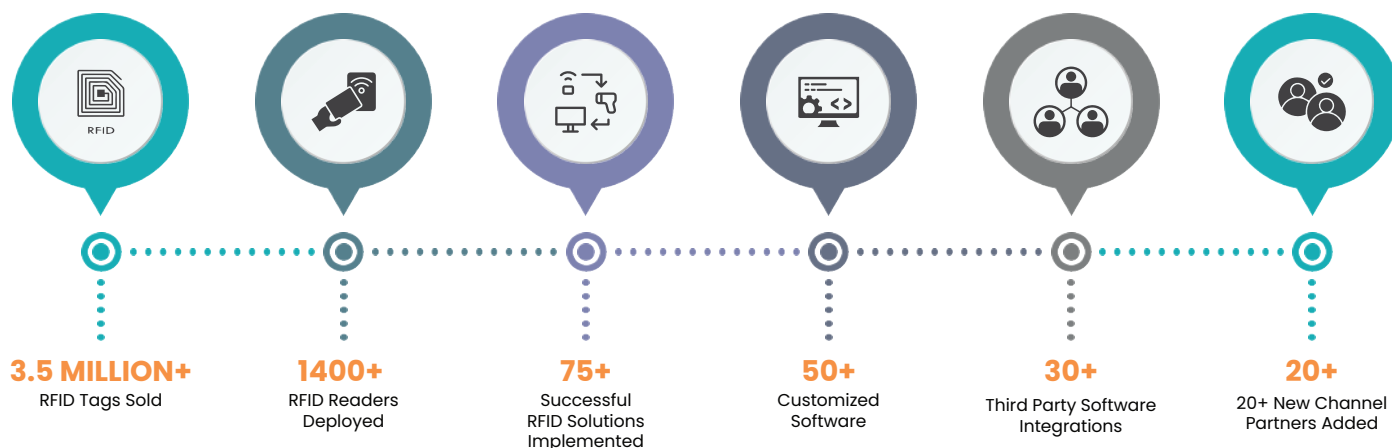

OUR TEAM

ETS is led by a cohesive team of 25+ IT professionals with ample experience in the AIDC vertical and an intense passion to innovate. We are a strong team of professionals committed to providing innovative products & solutions and constantly thrive towards offering the benefits of emerging RFID technology to our clients. The team is an electric mix of self-made entrepreneurs with combined experience of 40+ years and industry professionals with a wide array of functional expertise and domain experience. We focus on delivering value in each of these critical areas: Hardware, Software, Integration & Execution. We work in a non-hierarchical, highly collaborative environment where we all share a single goal: The satisfaction of every client.

GLIMPSE 2024 – 2025

INDUSTRIES WE SERVE

WHY CHOOSE US?

In house R&D lab which acts as a back bone of our world class products. It enables us to fully customize the products based on complex project requirement.

RESEARCH & DEVELOPMENT

In house production enable us to provide the RFID hardware in OEM and ODM. 90% of our tags can be fully customized in terms of material, size, printing and encoding facilities.

MANUFACTURING

In house software team with vast experience to develop and implement enterprise level applications on various platforms like JAVA, Dot Net etc and complex integrations with SAP HANA etc. Right from idealisation to delivery, everything is taken care by our inhouse experts. All our software solutions can be customized on request.

SOFTWARE DEVELOPMENT

In house QC team. We follow very stringent QC guidelines to ensure that our production roll out meets and exceeds the customer satisfaction level. We use high quality carton boxes and vacuum packings for all local and overseas shipments. Damaged products are replaced on request.

QUALITY CONTROL

We just don't sell! We solve the problem statements first! Our team understands the pain areas of business in-depth and accordingly frame a fully customized solution to address and automate the business processes. Our sales team consist of highly qualified, experienced and technically sound members who have in-depth knowledge about the global RFID industry.

PRE SALES SUPPORT

We maintain a dedicated team of experts who are available for our customers as and when required. Right from hardware repair to troubleshooting of systems, everything is taken care by team ETS. We provide training materials, onsite system handshaking, SDK,s, API,s, product tutorials etc as an integral part of after sales service. We also provide comprehensive AMC's

AFTER SALES SERVICE

We promise to offer the most competitive pricing with exceptional value for our products and services. Our inhouse capabilities allow us to transfer the price edge to our customers.

COMPETITIVE PRICING

DESIGN AND MANUFACTURING

CUSTOMIZED END TO END SOLUTIONS WITH SOFTWARE INTEGRATION

RFID UHF READER

ETC-IR 01
RFID Mid Range Integrated Reader
Read Range: Upto 6 Meters

ETC-IR 02
UHF Long Range Integrated Reader
Read Range: Upto 15 Meters

ETC-IR 04
RFID Integrated Reader - Impinj Model
Read Range: Upto 22 Meters

ETC-IR 03
Industrial UHF Reader
Read Range: Upto 2 Meters

ETC-4P 01
UHF RFID Reader
Read Range: Upto 25 Meters

RFID DESKTOP READER

ETC-RD 01
UHF Desktop Reader & Writer
Interface: USB/LAN

ETC-RD 02
UHF Keyboard Emulator Reader & Writer
Interface: USB

ETC-RD 05
UHF Table Top Desktop Reader
Interface: USB

ETC-RD 04
Ethernet Based HF Reader & Writer
Interface: LAN

ETC-RD 07
Mifare Card Reader & Writer
Interface : USB

ETC-RD 03
Proximity Card Reader
Interface: USB

HANDHELD RFID READER

ETS-72
Handheld RFID Reader
Read Range: Upto 15 Meter

ETS-5
UHF Handheld RFID Reader
Read Range: Upto 33 Meter

ETS-RH6
Bluetooth Handheld Reader
Read Range: Upto 30 Meter

Micro USB Reader
UHF/HF - USB Type C (No Charging)
Plug & Play (Keyboard Emulator)

RFID SMART CARD

ETS-RC 01
RFID Mifare Card
Mifare Classic 1K/4K

ETS-RC 02
RFID UHF Card
Alien H9/H10/Monza R6/P

ETS-RC 03
RFID Proximity Card
Thin/Clamshell
EM 4200, TK 4100, T5577, EM 4305

ETS-RC 05
Hybrid RFID Card / Dual Frequency Card
HF + LF/HF + UHF / LF + UHF

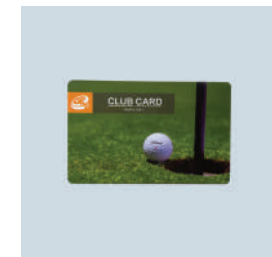

ETS-RC 06
NFC Card
NTAG 213/216

ETS-RT 09
EV Charging Card
ISO14443A (13.56MHz)
Customized Printing & Encoding

ETS-RC 07
NFC Metal Card
Color: Silver, Black, Gray, Rose Gold

ETS-RC 08
Pre-Printed RFID Card
Mifare/UHF/Proximity/NFC

RFID ANTENNA

ETS-RA 02
RFID UHF 8dbi Circular Antenna
Read Range: Upto 6 Meter

ETS-RA 01
RFID UHF 12dBi Circular Antenna
Read Range: 12-15 Meter

ETS-RA 03
Data Communication Antenna
2km/6km (Line of Sight)

RFID TAGS

WINDSHIELD TAG

ETS-RT 01
RFID Tamper Proof Windshield Tag
Size: 100 x 25 mm

ETS-RT 01B
Tamper Evident Windshield Tag
Size: 100 x 50 mm

ETS-RT 06A (Matte / Glossy)
RFID UHF Jewellery Tag
Size: 70 x 36 / 68 x 26 / 96 x 23 mm

ETS-RT 06B
Reusable RFID Jewellery Tag
Size: 35 x 15 / 28 x 15 mm

HARD METAL TAG

Eco Supersonic
Size: 150 x 23 x 15 mm
Read Range: Upto 12 Meter

Eco Max
Size: 50 x 50 x 10 mm
Read Range: 8-10 Meter

Eco Edge
Size: 135 x 22 x 5 mm
Read Range: 6-8 Meter

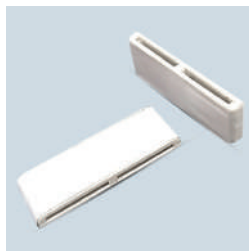

Eco Mini
RFID Eco Mini Metal Tag
Read Range: Upto 4 Meter

ASSET TAGS

ETS-RT 39
RFID Pallet Tag
Off Metal Application

ETS-RT 20
RFID IT Asset Tag
For Laptop & IT Assets

ETS-RT 21
General Purpose RFID UHF Tag
On Metal + Off Metal Use

ETS-RT 18
UHF Soft Metal Tag
Multiple Size Option (Suitable For Curved Surface & Indoor Use)

ETS-RT PCB
Multiple Size Option

High Temperature Tag
Upto 260°C

On-Metal Cylinder Tag
Suitable For Curved Surface

RACE TAG

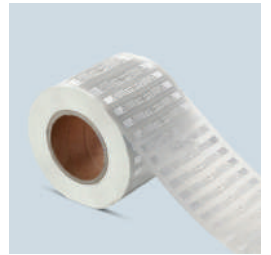

ETS-RT 08A
RFID Bib Tag
Read Range: 8-10 Meter

ETS-RT 08B
RFID Reusable Sports Timing Tag
Smartrac Dogbone Inlay

ETS-RT 02A,02B
HF Book Tag (13.56 MHz ICODE SLIX2)
Size: 80 x 50 / 50 x 50 mm

ETS-RT 02C
RFID UHF Book Tag
Size: 100 x 12 x 0.3 mm

WASTE MANAGEMENT TAG

ETS-RT 14A (80 x 50 mm)
Waste Management Tag
Frequency: UHF/NFC
QR Code, Printing & Encoding

ETS-RT 14B
Waste Management Tag
QR Code, Printing & Encoding

ETS-RT 25A
RFID UHF Returnable Hang Tag
Size: Customized

ETS-RT 25B
RFID Clip Tag

REUSABLE HANG TAG

EV CHARGING TAG

ETS-RT 09
RFID EV Charging Tag
ISO14443A (13.56MHz)
Customized Shape, Design & Print

ETS-RT 27
RFID Keyfob Tag

ANIMAL TAG

ETS-RT 05 UHF
RFID Animal Tag (UHF)

ETS-RT 05 LF
RFID Animal Tag (LF)

NFC TAG SERIES

ETS-RT 12A
NFC Label
Multiple Size Option, NTAG213 / 216

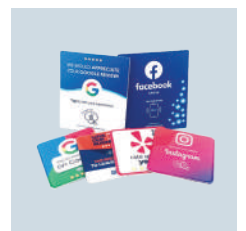

ETS-RT 12B
NFC Anti-Metal Label (3M)
NTAG213 / 216

ETS-RT 12C
Tamper Proof Anti-Counterfeiting Label

ETS-RT 12D
NFC Epoxy Tag
Chip: Mifare/NTAG213/216

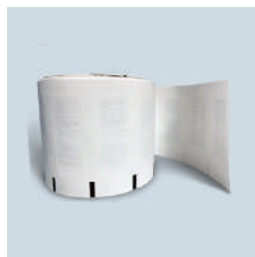

ETS-RT 12E
NFC Smart Posters
Chip: NFC NTAG213/216

LAUNDRY CLOTHES TAG

ETS-RT 07A

RFID UHF Cloth Label Hang Tag
Multiple Chip & Size Option

ETS-RT 07D

RFID Taffeta / Nylon Tag
Size: 85 x 25 mm or Customized

ETS-RT 52B

PVC Nylon Fabric Wristbands

ETS-IR 52C

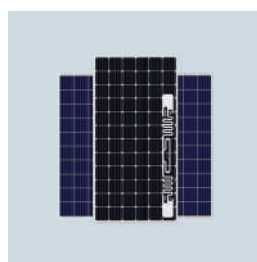

RFID Silicon Wristband Tag

OTHER TAGS

ETS-RT 31

RFID Gas Meter Tag
Multiple Size, Chip & Frequency

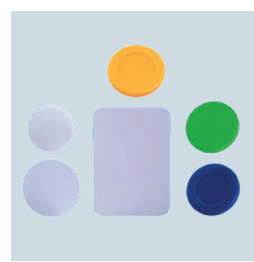

ETS-RT 19

RFID Solar PV Tag
Frequency: UHF

ETS-RT 51

RFID Tyre Tag
Frequency: UHF

ETS-RT 11

RFID Coin Tag
Frequency: UHF/HF, Multiple Size Option

ENTRANCE AUTOMATION

ETS-CC 01/02/04
Access Controller

ETS-BB 06
Boom Barrier For Toll Plaza

ETS-BB 09
Fast Speed Heavy Duty Boom Barrier

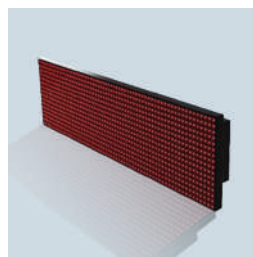

ETS-BB 6000
Industrial Boom Barrier

ETS-RG 03
RFID UHF Security Gate

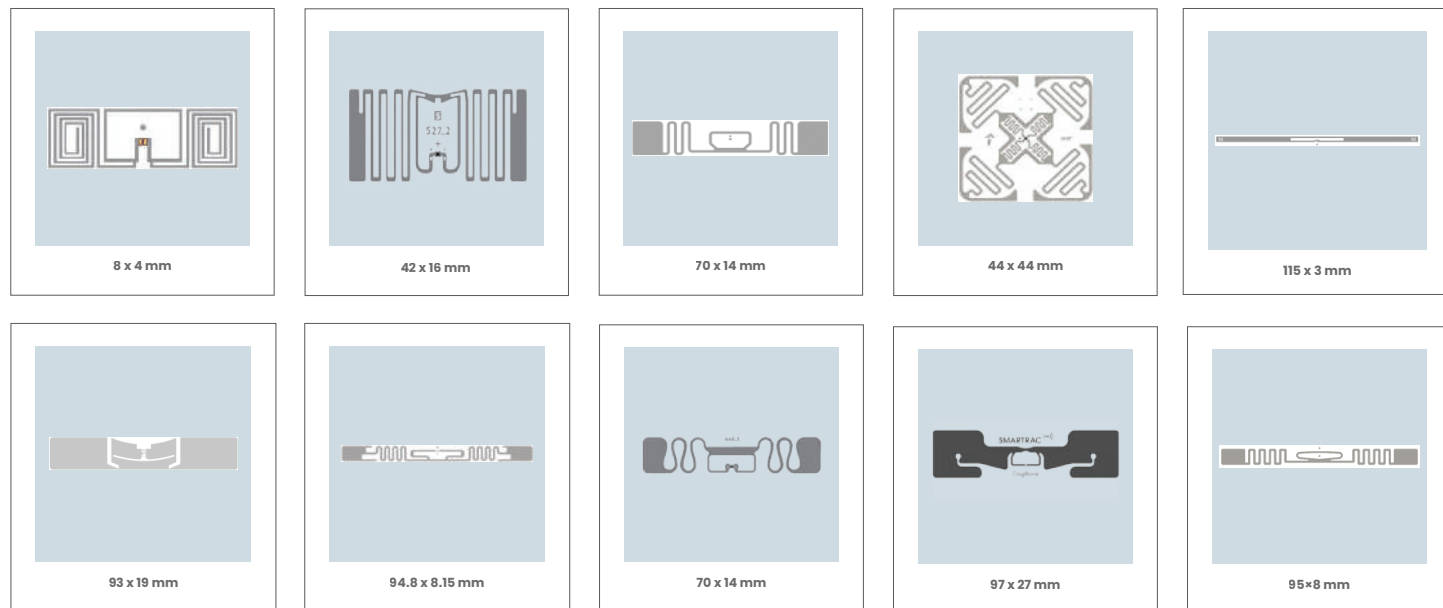

ETS-TS 01
Traffic Signal

ETS-TS 01
User Fare Display

UHF (865-928 MHz) SERIES

HF/NFC (13.56 MHz) SERIES
